**Re: Case No. 2022-00301**  
***McCreary County Water District***

Dear Ms. Bridwell:

Big Sandy Water District ("the District") wishes to bring to the attention of the Public Service Commission ("Commission") an error in its Order of June 9, 2025 in the above-referenced proceeding.

In that Order, the Commission authorized the District's use of certain proceeds from the District's Water Loss Control Surcharge Account for the Bear Creek Road and Friendship Road Replacement Projects. It, however, incorrectly stated the estimated cost of the Friendship Road Replacement Project as \$1,040,000. That project's estimated cost is \$780,000.<sup>1</sup>

In accordance with 807 KAR 5:001, Section 8, and the Commission's Order of July 22, 2021 in Case No. 2020-00085, I certify that this letter was electronically transmitted to the Commission on June 11, 2025 and that no parties to the above-referenced proceeding have been excused from participation by electronic means.

Sincerely,

Stoll Keenon Ogden PLLC
