Re: Electronic Application of East Kentucky Power Cooperative, Inc. for a (1) Certificate of Public Convenience and Necessity for the Construction of Transmission Facilities in Madison County, Kentucky; (2) Declaratory Order Confirming that a Certificate of Public Convenience and Necessity is not Required for Certain Facilities – Case No. 2022-00314

Dear Ms. Bridwell:

Please let this letter serve as notice, pursuant to KRS 278.020, 807 KAR 5:001 and 807 KAR 5:120 that East Kentucky Power Cooperative, Inc. (“EKPC”) plans to file on or after October 14, 2022 an Application for a Certificate of Public Convenience and Necessity (“CPCN”) to construct a 138 kV electric transmission line in Madison County, Kentucky and for other declaratory relief. After the completion of a condition assessment showing aging infrastructure and other information showing a potential thermal overload in 2023, EKPC has determined that this project is necessary. This project will allow EKPC to continue to provide safe and reliable service to its Owner-Members and their end-use members as well as to add additional transmission capacity for future load growth in the area.

Pursuant to 807 KAR 5:120 Section 1(2)(a), EKPC’s contact information is:

East Kentucky Power Cooperative, Inc.
4775 Lexington Road
Winchester, KY 40391
(859) 744-4812

EKPC has filed a Notice to Use Electronic Filing Procedures in this case.

Please do not hesitate to contact me with any questions or concerns.

Sincerely,
