RE: Case No. 2022-00317
North Shelby Water Company
Corrected Statement of Disclosure for Herb McCoun

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is a corrected Statement of Disclosure submitted on behalf of North Shelby Water Company in response to a recent request from Kentucky Public Service Commission staff: there was not a box checked on the ARF Form-3 signed by Herbert McCoun stating whether he has no related party transactions with the utility or not. It has been corrected on the attached form.

Sincerely,

Robert K. Miller
