RE: Case No. 2022-00317  
North Shelby Water Company  
Request for Extension to Reply to First Request for Information

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is North Shelby Water Company's partial response to Kentucky Public Service Commission staff's First Request for Information. Enclosed are responses to Questions #7a-c, #8, #15a-e, and #16a-b.

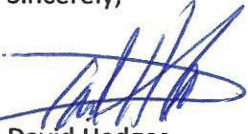

North Shelby Water was aware of the stated deadline of November 3, 2022; however, since the time when we received the RFI, our staff experienced a bout of illnesses during which time we set aside efforts to gather and review data needed for the responses while we maintained operations short-staffed. And unfortunately, once everyone returned to work, the task of responding to the RFI had "fallen through the cracks". We anticipate that we will need an additional 15 days to submit the remainder of the responses.

May we be permitted an extension until J Wednesday November 23, 2022 to fully comply with the First Request for Information?

Please do not hesitate to contact me if you have any questions.

I acknowledge

Sincerely,

David Hedges  
General Manager
