

**COMMONWEALTH OF KENTUCKY**  
**BEFORE THE PUBLIC SERVICE COMMISSION**

**IN THE MATTER OF:**

ELECTRONIC PURCHASED GAS ADJUSTMENT FILING )	CASE NO.
OF KENTUCKY FRONTIER GAS, LLC )	2022-00327

---

**NOTICE**

---

Comes now Kentucky Frontier Gas, LLC (“Kentucky Frontier”) by and through the undersigned counsel, and does hereby state as follows pursuant to KRS 278.190(2) for its Notice that Kentucky Frontier will begin charging the Gas Cost Recovery (“GCR”) rate proposed in this matter, pending a final Order and subject to refund, and furthermore, Kentucky Frontier respectfully states as follows:

1. Kentucky Frontier filed its Notice of Election to Use Electronic Filing Procedures in this case on September 26, 2022.
2. Kentucky Frontier discovered that it has incurred an approximate \$600,000 gas balance loss since November 2020.
3. Kentucky Frontier requested to shorten the notice period from thirty days to twenty days for the current purchased gas adjustment filing in its Motion for Deviation filed October 2, 2022.
4. On October 6, 2022, Kentucky Frontier filed a motion to schedule an Informal Conference (IC) with Commission Staff. The IC was held on October 7, 2022, and Kentucky Frontier informed Commission Staff that it has been running a deficit in recovering its gas costs through its GCR rate mechanism and that the cumulative deficit since November 2020 is over \$600,000.

5. On October 10, 2022, Kentucky Frontier filed its GCR rate report for rates effective November 1, 2022.

6. On October 31, 2022, the Commission's Order denied Kentucky Frontier's Motion for Deviation, found that an investigation into the rates should be established, and stated that the Commission suspended the rates until on or after November 10, 2022.

7. The Commission's October 31, 2022 Order stated in the body of the Order on page 3 that the proposed GCR rate is "\$0.121678 per Ccf or \$12.1678 per Mcf, which is an increase of \$2.0283 per Mcf from its previous rate of \$10.1395 per Mcf." However, in Ordering paragraph 3 on page 5, the Order states that upon providing notice as required by KRS 278.190(2), Kentucky Frontier may put its proposed GCR rates in effect subject to refund. Therefore, Kentucky Frontier will put its proposed GCR rates into effect subject to refund based upon the proposed rates in the record that are actually \$1.21678 per Ccf, which is an increase of \$0.20283 per Ccf from Kentucky Frontier's previous rate of \$1.01395 per Ccf, as documented in the revised tariff attached as Exhibit A.

8. Kentucky Frontier will maintain its records in a manner that will enable it, or the Commission, or any of Kentucky Frontier's customers, to determine the amounts to be refunded and to whom the refunds are due in the event a refund is ordered.

WHEREFORE, based on the foregoing, Kentucky Frontier gives the Commission notice pursuant to KRS 278.190(2), that it will put the proposed rates into effect subject to refund on or after November 10, 2022.

Dated this 8<sup>th</sup> of November, 2022.

Respectfully submitted,

---
