Subject: February gas bill

Kim:
I am sending you your charges for January gas billed in February.
The charts were mailed to RL Laughlin but there was a delay in delivery. We just got the reading this morning but I am not able to get into the office to my computer.

Usage was 618 MCF — \$6,489.00.

If you need an actual bill I will send one as soon as we can get into the office.

If you have any questions just let me know.

Thank you.

Respectfully,
