(Includes Customer Meter Charge. Average customer using 7,400 gallons. Approximately 7% of District customers are a commercial customer and use this amount or less monthly)				

The District proposes to place the rates into effect for all water used after December 1, 2022. The District's last general water rate increase was in May, 2017. The proposed rates are required under terms of an agreement (Letter of Conditions dated July 15, 2021) between the District and the U.S. Department of Agriculture, Rural Development ("RD") under which RD will lend the District up to \$994,400. This RD loan will be used for the Pirtle Spring Water Treatment Plant Improvements, Gray Lane Pump Station Improvements, and Brizendine Tank Booster Pump Station. KRS 278.023 does not grant the PSC any discretionary authority to modify or reject any portion of the agreement between RD and the District or to defer the issuance of all necessary orders to implement the terms of the agreement. Interested persons may examine the application and other related documents at: 1) the District office at 1400 Rogersville Road, Radcliff, Kentucky 40160 (Monday through Friday, 8AM to 4PM); 2) on the District website at: [www.HCWD.com](http://www.HCWD.com); 3) the Public Service Commission at 211 Sower Boulevard, Frankfort, Kentucky 40601, or 4) the PSC website at: <http://psc.ky.gov>. Comments regarding the application may be submitted to the Public Service Commission through its website at <https://psc.ky.gov> or by mail to Public Service Commissioner, PO Box 615, Frankfort, Kentucky 40602. You may contact the Public Service Commission at 502-564-3940, Reference Case #2022-00337. For any questions or additional information, contact Mr. Stephen Hogan, General Manager. By order of the Board of Commissioners, William Gossett, Chairman.
