COUNSEL FOR JESSAMINE-SOUTH
ELKHORN WATER DISTRICT

REQUEST NO. 1: Refer to Jessamine-South Elkhorn District's response to Commission Staff's First Request for Information, Items 14, 15, 16, and 17 indicating that the water district commissioners relied on counsel. State whether Jessamine-South Elkhorn District or any of its commissioners specifically requested advice from an attorney regarding whether Commission approval was required for any of the loans at issue.

RESPONSE: No specific advice from counsel was sought as it had been the practice in the past to depend upon counsel to unilaterally render advice at times he thought appropriate, and to ensure the legality and compliance of the District's actions.

Witness: James F. Hall
