

12-12-22

TO THE PUBLIC SERVICE COMMISSION:

IN REGARD TO YOUR REQUEST FOR INFORMATION PURSUANT TO EXCAVATOR LOCATE REQUESTS PURSUANT TO KRS 367.4909 AND KRS 367.4917(7)

Since January 1st, 2022, Sandy Hook Water District presents the following response:

- We have received a total of 12 line locate requests
- None of the above requests were made a second time
- 10 out of 12 requests were completed within the 48-hour time frame. The other two were not urgent, and an agreed upon date was made with the contractor/landowner respectively
- Average locate time is less than 24 hours
- All locate requests were completed in house by Sandy Hook Water District employees
- All line location requests are presented via service order, which is then filed away in the customer's file
- No lines located by Sandy Hook Water District were hit, as they were accurately marked
- Lines are located via blueprints, maps, newly integrated GPS system, and newly acquired Pinpoint Impulse Radar machine
