**Re: Case No. 2022-00364**

In the Matter of the Electronic Application of Duke Energy Kentucky, Inc., for a Certificate of Public Convenience and Necessity to Construct A 138-kV Transmission Line and Associated Facilities in Boone County (Hebron to Oakbrook Transmission Line Project)

Dear Ms. Bridwell:

After being notified by Commission Staff of a potential filing error, Duke Energy Kentucky, Inc. (Duke Energy Kentucky or Company) has determined that Attachment 1 in response to Item 11 was inadvertently filed in the public record when it should have been filed confidentially. As such, enclosed please find the Company's revised responses to Commission Staff's Second Request for Information in the above-mentioned case.

In addition, please find enclosed a Revised Petition for Confidential Treatment. The confidential information is being filed under seal.

I certify that the electronically filed documents are true and accurate copies of the original documents. The Company will retain the original filing in paper medium as the requirement to file it with the Commission was permanently granted a deviation in Case No. 2020-00085.

Respectfully submitted,

/s/Rocco D'Ascenzo
