\*If the volume of water available in a minimum bill for a rate classification has changed, the amount of the change is calculated using the proposed minimum charge's volume and the prior minimum charge's volume.

Mountain Water District further proposes to classify its customers based upon the following customer classes:

**Commercial:** private schools, colleges, hospitals, private educational, cultural, social or religious organizations, and business or manufacturing establishments if the water is not used principally in manufacturing or processing functions.

**Industrial:** manufacturing or processing establishments if the water is used principally in manufacturing or processing function.

**Residential:** single premise residences, multiple premise residences in which each premise is served through a single meter, multiple premise residences served through a single meter, and churches.

**Public Authority:** municipal, county, state or federal agencies (other than the sales of water for resale) and includes city buildings, public schools, public housing developments, libraries and hospitals, fire stations, county, state and federal buildings and agencies.

**Wholesale:** A private or public water utility which resells water to its customers.

If the Public Service Commission approves the proposed water rates, the increase in a customer's monthly bill will be:

Customer*	Average Usage (gpd)	Monthly Bill at Current Rate	Monthly Bill at Proposed Rate	Monthly Bill Increase (\$)	Monthly Bill Increase (%)

Mountain Water District further proposes to assess, beginning March 20, 2023, a Water Infrastructure Improvement Surcharge of \$5.61 on each water customer's monthly bill for 36 months to finance proposed infrastructure improvements to reduce water loss and improve service quality. Prior Kentucky Public Service Commission approval will be required for each use of surcharge proceeds. All surcharge proceeds must be maintained in a separate interest-bearing account. All collections and uses of surcharge proceeds must be reported monthly to the Kentucky Public Service Commission. Failure to comply with the conditions attached to the proposed surcharge will result in termination of the Water Infrastructure Improvement Charge Surcharge and refund of all surcharge proceeds Mountain Water District's possession or control and all proceeds disbursed for expenses or projects not approved by the Kentucky Public Service Commission.

Mountain Water District also proposes to adjust its rates for monthly sewer service. Mountain District proposes to phase the Phase 1 rates into effect on March 20, 2023. Phase 2 rates will become effective one year later. Phase 3 rates will become effective two years later. The proposed rates for sewer service are as follows:

The Kentucky Public Service Commission has established Cases No. 2022-00366 (Water) and No. 2022-00367 (Sewer) to review Mountain Water District's applications. Any person may examine these applications at Mountain Water District's office, Mountain Water District, 6332 Zebulon Highway, Pikeville, Kentucky or at the Kentucky Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at <https://psc.ky.gov/Case/ViewCaseFilings/2022-366> (Water) or <https://psc.ky.gov/Case/ViewCaseFilings/2022-367> (Sewer).

Comments regarding either application may be submitted to the Kentucky Public Service Commission through the Commission's Web Site at <https://psc.ky.gov/Case/SearchCasesPublicComments> or by e-mail to [psc.infol@ky.gov](mailto:psc.infol@ky.gov) or by mail to the Public Service Commission, P.O. Box 615, Frankfort, Kentucky 40602.

The rates contained in this notice are the rates proposed by Mountain Water District. However, the Kentucky Public Service Commission may order rates to be charged that differ from the proposed rates. Such action may result in rates for consumers other than the rates in this notice.

A person may submit a timely written request for intervention to the Kentucky Public Service Commission, P.O. Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the person's status and interest. If the Kentucky Public Service Commission does not receive a written request for intervention within thirty (30) days of the initial publication of notice, it may take final action on the proposed rates.

\*If the volume of water available in a minimum bill for a rate classification has changed, the amount of the change is calculated using the proposed minimum charge's volume and the prior minimum charge's volume.

Mountain Water District further proposes to classify its customers based upon the following customer classes:

**Commercial:** private schools, colleges, hospitals, private educational, cultural, social or religious organizations, and business or manufacturing establishments if the water is not used principally in manufacturing or processing functions.

**Industrial:** manufacturing or processing establishments if the water is used principally in manufacturing or processing function.

**Residential:** single premise residences, multiple premise residences in which each premise is served through a single meter, multiple premise residences served through a single meter, and churches.

**Public Authority:** municipal, county, state or federal agencies (other than the sales of water for resale) and includes city buildings, public schools, public housing developments, libraries and hospitals, fire stations, county, state and federal buildings and agencies.

**Wholesale:** A private or public water utility which resells water to its customers.

If the Public Service Commission approves the proposed water rates, the increase in a customer's monthly bill will be:

Mountain Water District further proposes to assess, beginning March 20, 2023, a Water Infrastructure Improvement Surcharge of \$5.61 on each water customer's monthly bill for 36 months to finance proposed infrastructure improvements to reduce water loss and improve service quality. Prior Kentucky Public Service Commission approval will be required for each use of surcharge proceeds. All surcharge proceeds must be maintained in a separate interest-bearing account. All collections and uses of surcharge proceeds must be reported monthly to the Kentucky Public Service Commission. Failure to comply with the conditions attached to the proposed surcharge will result in termination of the Water Infrastructure Improvement Charge Surcharge and refund of all surcharge proceeds Mountain Water District's possession or control and all proceeds disbursed for expenses or projects not approved by the Kentucky Public Service Commission.

Mountain Water District also proposes to adjust its rates for monthly sewer service. Mountain District proposes to place the Phase 1 rates into effect on March 20, 2023. Phase 2 rates will become effective one year later. Phase 3 rates will become effective two years later. The proposed rates for sewer service are as follows:

The Kentucky Public Service Commission has established Cases No. 2022-00366 (Water) and No. 2022-00367 (Sewer) to review Mountain Water District's applications. Any person may examine these applications at Mountain Water District's office, Mountain Water District, 6332 Zebulon Highway, Pikeville, Kentucky or at the Kentucky Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at <https://psc.ky.gov/Case/ViewCaseFilings/2022-366> (Water) or <https://psc.ky.gov/Case/ViewCaseFilings/2022-367> (Sewer).

Comments regarding either application may be submitted to the Kentucky Public Service Commission through the Commission's Web Site at <https://psc.ky.gov/Case/SearchCasesPublicComments> or by e-mail to [psc.info@ky.gov](mailto:psc.info@ky.gov) or by mail to the Public Service Commission, P.O. Box 615, Frankfort, Kentucky 40602.

The rates contained in this notice are the rates proposed by Mountain Water District. However, the Kentucky Public Service Commission may order rates to be charged that differ from the proposed rates. Such action may result in rates for consumers other than the rates in this notice.

A person may submit a timely written request for intervention to the Kentucky Public Service Commission, P.O. Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the person's status and interest. If the Kentucky Public Service Commission does not receive a written request for intervention within thirty (30) days of the initial publication of notice, it may take final action on the proposed rates.

\*If the volume of water available in a minimum bill for a rate classification has changed, the amount of this change is calculated using the proposed minimum charge's volume and the prior minimum charge's volume.

Mountain Water District further proposes to classify its customers based upon the following customer classes:

**Commercial:** private schools, colleges, hospitals, private educational, cultural, social or religious organizations, and business or manufacturing establishments if the water is not used principally in manufacturing or processing functions.

**Industrial:** manufacturing or processing establishments if the water is used principally in manufacturing or processing function.

**Residential:** single premise residences, multiple premise residences in which each premise is served through a single meter, multiple premise residences served through a single meter, and churches.

**Public Authority:** municipal, county, state or federal agencies (other than the sales of water for resale) and includes city buildings, public schools, public housing developments, libraries and hospitals, fire stations, county, state and federal buildings and agencies.

**Wholesale:** a private or public water utility which resells water to its customers.

If the Public Service Commission approves the proposed water rates, the increase in a customer's monthly bill will be:

Mountain Water District further proposes to assess, beginning March 20, 2023, a Water Infrastructure Improvement Surcharge of \$5.61 on each water customer's monthly bill for 36 months to finance proposed infrastructure improvements to reduce water loss and improve service quality. Prior Kentucky Public Service Commission approval will be required for each use of surcharge proceeds. All surcharge proceeds must be maintained in a separate interest-bearing account. All collections and uses of surcharge proceeds must be reported monthly to the Kentucky Public Service Commission. Failure to comply with the conditions attached to the proposed surcharge will result in termination of the Water Infrastructure Improvement Charge Surcharge and refund of all surcharge proceeds Mountain Water District's possession or control and all proceeds disbursed for expenses or projects not approved by the Kentucky Public Service Commission.

Mountain Water District also proposes to adjust its rates for monthly sewer service. Mountain District proposes to place the Phase 1 rates into effect on March 20, 2023. Phase 2 rates will become effective one year later. Phase 3 rates will become effective two years later. The proposed rates for sewer service are as follows:

User with Metered Water Service	4,134	\$72.24	\$85.15	17.87	\$95.19	31.77	\$105.24	45.68
User w/o Metered Water Service	NA	\$78.15	\$83.62	7.00	\$87.80	12.35	\$90.44	15.79

The Kentucky Public Service Commission has established Cases No. 2022-00366 (Water) and No. 2022-00367 (Sewer) to review Mountain Water District's applications. Any person who examines these applications at Mountain Water District's office, Mountain Water District, 6332 Zebulon Highway, Pikeville, Kentucky or at the Kentucky Public Service Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's Web site at <https://psc.ky.gov/Cases/ViewCaseFilings/2022-366> (Water) or <https://psc.ky.gov/Cases/ViewCaseFilings/2022-367> (Sewer).

Comments regarding either application may be submitted to the Kentucky Public Service Commission through the Commission's Web Site at <https://psc.ky.gov/Cases/ViewCaseFilings/2022-366> or by e-mail to [psc.info@ky.gov](mailto:psc.info@ky.gov) or by mail to the Public Service Commission, P.O. Box 615, Frankfort, Kentucky 40602.

The rates contained in this notice are the rates proposed by Mountain Water District. However, the Kentucky Public Service Commission may order rates to be changed that differ from the proposed rates. Such action may result in rates for consumers other than the rates in this notice.

A person may submit a timely written request for intervention to the Kentucky Public Service Commission, P.O. Box 615, Frankfort, Kentucky 40602, outlining the grounds for the request including the person's status and interest. If the Kentucky Public Service Commission does not receive a written request for intervention within thirty (30) days of the initial publication of notice, it may take final action on the proposed rates.
