**Case No. 2022-00372**  
**Attorney General's First Set Data Requests**  
**Date Received: January 11, 2023**

**FIRST SUPPLEMENTAL AG-DR-01-029**

**REQUEST:**

Refer to the Carpenter Testimony at 9 – 10. Mr. Carpenter states that the union labor cost increases were assumed to be between 2% – 3.5%, depending on the agreements, while non-union labor cost increases were assumed to be 3.5% (including both merit increases of 3% and an allowance for salary increases for promotions of 0.5%).

a. Provide an update on the union labor agreements as well as the union labor cost increases. Consider this an ongoing request.

b. Explain whether Duke Kentucky awards the same cost increase to non-union employees that the union employees receive. If not, explain how Duke Kentucky negotiates with the union versus non-union employees on wage/benefit increases.

c. Explain what employees are eligible to join a union at Duke Kentucky.

**RESPONSE:**

a. Negotiations are still in progress with UWUA (collective bargaining agreement expired March 31, 2023) and the Company expects to have a ratified contract by mid-to late May. The formal contract will not be available for months after the new contract terms are ratified; however, we can provide a summary of changes, which will include the general wage increase effective for 2023, once the contract is ratified.
