

**Question #** 5

**Witness** Paul Harp

**Answer**

The district has a 10% late fee that helps to offset the costs of employee time, as well as mailing charges.

The district's meter relocation fee is the district's cost to relocate the meter and then billed to the customer.

Attached below is a Forcht Bank business services fee schedule as well as an "Invoice Cloud" statement which includes returned check fees. Also, attached below are sheets for re-connection fee, meter test, service call, and meter reread fees. Finally, attached is the district meter set (connection/tap on) costs.

## Forcht Bank Business Services Fee Schedule Effective August 18, 2022
