RE: Case No. 2022-00400  
McKinney Water District  
Response to Initial Request for Information  
and Request for Extension

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is McKinney Water District's partial response to Kentucky Public Service Commission staff's Initial Request for Information. McKinney District has prepared responses to Questions #1a-i, #2a-c, #4-5, #7-9b, and #11a-d. However, despite their best efforts, McKinney District is unable to prepare responses to Questions #1j, #2d, #3a-b, #6, and #10 by the scheduled deadline of Monday February 6, 2023 due to my unavailability to provide assistance while I was travelling in Israel and Jordan during January 16-30, 2023 and due to family medical emergencies of the McKinney District office staff.

McKinney District respectfully requests a two-week extension and proposes to provide responses to the remaining questions by Monday February 20, 2023.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Robert K. Miller
