RE: Electronic Joint Application of Kentucky Utilities Company and Louisville Gas and Electric Company for Certificates of Public Convenience and Necessity and Site Compatibility Certificates and Approval of a Demand Side Management Plan
Case No. 2022-00402

Dear Ms. Bridwell:

On March 1, 2023, Kentucky Utilities Company and Louisville Gas and Electric Company (collectively, the "Companies") filed solar power purchase agreements ("PPAs") into the record of the above-referenced case. Certain terms of the PPAs are confidential and they were filed subject to a contemporaneously filed Joint Petition for Confidential Protection.

The Companies are re-filing the PPAs to redact a confidential term that was inadvertently not redacted in the original filing. The PPAs remain subject to the Joint Petition for Confidential Protection filed on March 1, 2023. Pursuant to 807 KAR 5:001, Section 13(2)(e), the confidential material that is the subject of this Petition is not included in the electronic submission of this filing.

In accordance with 807 KAR 5:001, Section 8 and the Commission's Order of July 22, 2021 in Case No. 2020-00085, I certify that the electronic filing has been transmitted to the Commission on March 15, 2023 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.
