RE: *Case No. 2022-00402; ELECTRONIC JOINT APPLICATION OF KENTUCKY UTILITIES COMPANY AND LOUISVILLE GAS AND ELECTRIC COMPANY FOR CERTIFICATES OF PUBLIC CONVENIENCE AND NECESSITY AND SITE COMPATIBILITY CERTIFICATES AND APPROVAL OF A DEMAND SIDE MANAGEMENT PLAN AND APPROVAL OF FOSSIL FUEL-FIRED GENERATING UNIT RETIREMENTS*

Dear Ms. Bridwell:

Please find attached the properly redacted response brief on behalf of the Kentucky Coal Association, Inc. (KCA), which was e-filed on October 4, 2023. It was brought to our attention that the public version of the brief had been treated with an insufficient redaction tool, and inadvertently allowed the possibility of highly sensitive confidential information to be viewed.

As we advised in yesterday's filing, the public version of the Response Brief includes certain items that are redacted which are subject to a pending Petition for Confidentiality sought by Kentucky Utilities Company and Louisville Gas and Electric Company (the "Companies") filed on September 15, 2023. Please place the document(s) of file.

The confidential material that is the subject of yesterday's Motion for Confidential Protection is not included in the electronic submission of this filing but is available to pertinent parties, including the Commission Staff, on the Companies' HighQ file sharing site in a highlighted format denoting the confidential information.
