**THE KENTUCKY COAL ASSOCIATION INC.'S
MOTION FOR CONFIDENTIAL PROTECTION**

Pursuant to 807 KAR 5:001, Section 13(9), the Kentucky Coal Association, Inc. (KCA) hereby moves the Public Service Commission of Kentucky (“Commission”) to grant confidential protection for certain information for certain matters addressed in the testimony of their witness, Emily Medine. In short, her testimony includes potentially confidential items for which a, “...motion for confidential treatment is pending.” *Id.* While the potential confidential matters discussed in her testimony may or may not be confidential subject to the further ruling by the Commission, KCA files this motion, rather than a notice, in an abundance of caution to comply with 807 KAR 5:001, Section 13.

To comply with the directives of 807 KAR 5:001, Section 13(9), KCA also identifies the redacted portions of Ms. Medine’s testimony as being addressed by Kentucky Utilities Company and Louisville Gas and Electric Company (the “Companies”) in their pending Petition for Confidential Treatment filed on May 4, 2023 which included requests of confidentiality for what they pay for fuel, and projected capital costs of possible SCR(s). Outside of the foregoing potentially confidential information redacted in KCA’s filing, Ms. Medine’s remaining testimony is not confidential, as such, KCA is filing with the Commission one electronic copy that

identifies with redactions the information for which confidential protection is sought. In accordance with the Commission's March 24, 2020 and July 22, 2021 Orders in Case No. 2020-00085, and to avoid confusion, KCA will provide unredacted highlighted versions of its testimony to the Companies to include to the Companies' encrypted file-share site (HighQ) for the Commission's retrieval. Access to the encrypted file-share site will be provided to intervenors subject to the NDA agreement as well. Last, to the extent necessary, KCA incorporates and agrees with the Companies' requested length of protection of the possible confidential information referenced herein from the Companies' May 4, 2023 request.

Wherefore, KCA respectfully requests the relief sought herein.

Respectfully submitted,

/s/Matt Malone
