Well, I have a letter here from Madison with bookkeeping. She has put in the letter that we do not get charged anything. However, it seems to be inconsistent on what we do get charged. We get \$5 charges on most, but not all returned checks/ACHs. She said going forward we will not be charged this fee. Therefore, I am assuming we do not need to be charging the customers a fee now.

Here is the attached letter from Madison.

Thanks!
