RE: Formal Application To Increase Rates Pursuant to
Purchased Water Adjustment Regulation 807 KAR 5:068

Dear Ms. Bridwell:

The Meade County Water District (the "District") respectfully requests that the Commission allow for an adjustment to our rates in accordance with 807 KAR 5:068 on Purchased Water Adjustments.

The District was notified by its supplier, Hardin County Water District No. 1, that it will increase its wholesale rate by \$0.97 per 1000 gallons. This increase will be effective on December 1, 2022. The District intends to pass this increase through to our customers by including an additional \$1.245 per 1000 gallons for the additional water cost of \$392,310 in accordance with 807 KAR 5:068. This rate adjustment will be in effect for all water used on or after December 1, 2022.

The following documentation is enclosed in support of this application:

- Purchased Water Adjustment Form
- Exhibit A - Letter of Notice of Wholesale Water Rate Increase dated October 18, 2022.
- Exhibit B - Purchased Water Adjustment Worksheet
- Exhibit C - Notice to Customers - Schedule of Current and Proposed Rates
- Exhibit D - MCWD Authorization of Proposed Rates

The District will publish notice to its customers and provide verification that such notice has been given in accordance with regulations.

Please contact me if you need additional information.

Sincerely,

Brett Pyles, General Manager
