Re: Electronic Purchased Gas Adjustment Filing of Louisville Gas and Electric Company - Case No. 2022-00421

Dear Ms. Bridwell:

Pursuant to the provisions of Louisville Gas and Electric Company's ("LG&E") Gas Supply Clause as authorized by the Commission, LG&E herewith files revised P.S.C. Gas No. 13 tariff sheets in electronic medium. The revised tariff sheets set forth a Gas Supply Cost Component applicable to all gas sold during the period of February 1, 2023 through April 30, 2023. The Gas Cost Actual Adjustment and the Gas Cost Balance Adjustment levels are also revised from the levels that were implemented on November 1, 2022.

Pursuant to the Commission's Final Order in Case No. 2022-00180 dated July 28, 2022, LG&E is including supporting invoices for the period of August 1, 2022 through October 31, 2022 in this filing.

LG&E's filing also includes a petition for confidential treatment regarding the names of natural gas suppliers provided on Exhibit B-1, Pages 6 of 7 and 7 of 7 and the invoices referenced above.

Finally, this filing assumes minimal withdrawals of natural gas from LG&E's Doe Run storage field because LG&E is in the process of retiring the Doe Run storage field.

In accordance with 807 KAR 5:001, Section 8 and the Commission's Order on July 22, 2021 in Case No. 2020-00085, I certify that the electronic filing has been transmitted to the Commission on December 30, 2022 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.
