The Rattlesnake Ridge Water District has recently discovered that their tariff was incorrect. The tariff stated that the Rattlesnake Ridge Water District billed Sandy Hook Water District a minimum bill each month which was incorrect. Rattlesnake Ridge water District does not and has never billed Sandy Hook Water District a monthly water bill. This issue has been corrected on our revised tariff to be sent to the Public Service Commission. We are sorry for inconvenience or mis-understanding this may have caused. Thank You. David Gifford
