

**COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION**

In the Matter of:

**ELECTRONIC APPLICATION OF)
BLUEGRASS WATER UTILITY)
OPERATING COMPANY, LLC FOR AN) Case No. 2022-00432
ADJUSTMENT OF SEWAGE RATES)**

**BLUEGRASS WATER UTILITY OPERATING COMPANY, LLC’S
RESPONSE TO REQUESTS TO INTERVENE**

Bluegrass Water Utility Operating Company, LLC (“Bluegrass Water” or the “Company”), by counsel, and pursuant to 807 KAR 5:001 Section 4(11), Section 5, and other applicable law, hereby responds to the requests for intervention filed by: 1) Gavin Williams; 2) Michael Prater; 3) Douglas and Laura Evans; 4) Gary L. Baker; 5) Kristina Hendrickson; 6) Becca Atkins; 7) LuAnn and Charlie Harper; 8) Brandy Middleton; 9) Madalynn Wolfe Davis; 10) Delia Dominguez; 11) Jesse Brown; 12) Larry Averitt; 13) Walter Madaris; 14) Janice Robertson;¹ and (15) all other individual customers of Bluegrass Water (together, “Movants”).² The Commission should deny the Movants’ requests for intervention, as explained below.

1. The only person with a statutory right to intervene in this matter is the Attorney General of the Commonwealth of Kentucky, by and through the Office of Rate Intervention

¹ It does not appear that Ms. Robertson asked to be an intervenor but instead filed a public comment requesting Commission intervention. See Letter, filed March 8, 2023 (“This is a formal request for your intervention. . . . I am asking for your intervention. . . .”), available at: https://psc.ky.gov/pscscf/2022%20cases/2022-00432//20230308_Janice%20Robertson%20Request%20for%20Intervention.pdf.

² Due to the timing constraints associated with responding to requests for intervention, it is possible that certain individuals seeking to intervene may not be capable of identification and address in this motion. Therefore, to the extent the Commission construes any individual public comments filed as of the time of the filing of this Response as also containing a request for intervention, those requests for intervention should also be denied for the reasons set forth herein.

(“Attorney General”), pursuant to KRS 367.150(8)(b). Specifically, Kentucky law permits the Attorney General “[t]o be made a real party in interest to any action on behalf of consumer interests” in a ratemaking case “whenever deemed necessary and advisable in the consumers’ interest by the Attorney General.” KRS 367.150(8)(b).

2. The Commission granted the Attorney General’s request for intervention in this case on January 10, 2023.

3. A person seeking intervention must have an interest in the “rates and service” of a utility, as those are the only matters over which the Commission exercises jurisdiction. KRS 278.040(2).

4. The Commission’s regulations are “clear” that intervention by parties other than the Attorney General “is permissive, not mandatory.” *Pub. Serv. Comm’n of Ky. v. Metro. Hous. Coalition*, 652 S.W.3d 648, 654 (Ky. App. 2022) (citing 807 KAR 5:001 Section 4(11) & *Inter-County Rural Elec. Co-op. Corp. v. Pub. Serv. Comm’n*, 407 S.W.2d 127, 130 (Ky. 1966)).

5. A person seeking permissive intervention must follow the Commission’s regulations. A proposed intervenor’s motion “shall include the movant’s full name, mailing address, and electronic mail address and shall state his or her interest in the case and how intervention is likely to present issues or develop facts that will assist the commission in fully considering the matter without unduly complicating or disrupting the proceedings.” 807 KAR 5:001 Section 4(11)(a)(1). Janice Robertson did not include a mailing address in her filing.

6. Before granting intervention, the Commission must find that the request to intervene 1) was timely; and 2) demonstrated that the proposed intervenor “has a special interest in the case that is not otherwise adequately represented or that his or her intervention is likely to

present issues or to develop facts that assist the commission in fully considering the matter without unduly complicating or disrupting the proceedings.” 807 KAR 5:001 Section 4(11)(b).

7. First, the Commission should deny Movants’ requests for intervention because Movants have not shown a “special interest in the case that is not otherwise adequately represented” by the Attorney General. 807 KAR 5:001 Section 4(11)(b). “A mere recitation of the quantity of water consumed by a movant or a general statement regarding the potential impact of possible modification of rates will not be deemed sufficient to establish a special interest.” *In the Matter of: Electronic Application of Bath County Water District for a Rate Adjustment Pursuant to 807 KAR 5:076*, Case No. 2022-00404 (Jan. 11, 2023).

8. The Attorney General is the statutory advocate for consumers in rate cases and therefore adequately represents consumer interests like those of Movants. The Movants do not assert a special interest in this case that the Attorney General does not otherwise adequately represent. Instead, the motions are “general statement[s] regarding the potential impact of possible modification of rates” which is not a special interest. *See id.*

9. Second, the Commission should deny Movants’ requests for intervention because the Movants are not “likely to present issues or develop facts that assist the commission in fully considering the matter without unduly complicating or disrupting the proceedings.” 807 KAR 5:001 Section 4(11)(b). Movants’ requests do not set forth new issues or facts that would assist the Commission in fully considering the matter. Instead, the motions are general statements opposing the proposed rate increase without offering new issues or facts beyond what the Attorney General may assert on their behalf.

10. Therefore, because Movants are unlikely to present new issues or develop facts that would assist the Commission in fully considering this matter, Movants' participation is duplicative and will unduly complicate and disrupt the proceedings.

WHEREFORE, Bluegrass Water respectfully asks the Commission to deny the requests for intervention of Gavin Williams; Michael Prater; Douglas and Laura Evans; Gary L. Baker; Kristina Hendrickson; Becca Atkins; LuAnn and Charlie Harper; Brandy Middleton; Madalynn Wolfe Davis; Delia Dominguez; Jesse Brown; Larry Averitt; Walter Madaris; Janice Robertson, and all other individual customers of Bluegrass Water.

Respectfully submitted,
