This is to certify that I have personally received the material described hereon as an agent of the Department of Highways and the quantity appears to be as stated on this ticket. **WARNING: Avoid Prolonged Breathing of Crushed Stone.** Exposure to dust may affect respiratory system, eyes and/or skin. Crushed stone may contain crystalline silica. Prolonged and repeated breathing of crystalline silica may cause a progressive lung disease called silicosis. Some researchers have reported that there is evidence that prolonged and repeated breathing of high levels of crystalline silica dust may cause lung cancer. **Handling:** Avoid prolonged inhalation of crushed stone dust. Minimize exposure through wetting or general ventilation. Appropriate protective equipment should be worn when high levels of dust are present. **First Aid:** For inhalation, move to fresh air and seek medical attention if irritation persists. For eye and skin contact, flush eyes with water, wash skin with soap and water and seek medical attention if irritation persists. For eye and skin contact, flush with cold water and seek medical attention. For detailed information, see the material safety data sheet before using or handling this product. **Hot Asphalt and its vapors may be harmful to the skin, eyes and lungs.** **Handling:** Avoid breathing vapors and limit direct skin contact by using appropriate protective equipment. **First Aid:** For inhalation, Move to fresh air and seek medical attention. For eye and skin contact, flush with cold water and seek medical attention. For detailed information, see the material safety data sheet before using or handling this product. Suggested Delivery Route: RGI has attempted to locate the most efficient route for delivery as an aid to the Hauler. RGI makes no representation regarding the compatibility of the suggested route with and compliance with applicable state, federal and/or local maximum vehicle weight restrictions. As evidenced by signature, or departure from seller's facility, Carrier acknowledges that carrier is solely responsible for the accuracy of this vehicle's tare weight, axle weights and gross weight.
