Re: Case No. 2022-00436
Judy Water Association, Inc.
Response to Staff Report of April 26, 2023

Dear Ms. Bridwell:

Judy Water Association, Inc. (Association) submits the following comments concerning the Commission Staff Report issued April 26, 2023:

1. Although the Association does not agree with Staff's removal of certain labor expenses from non-recurring Charges, the association does not wish to contest that adjustment in this case. The Association's failure to object to Staff's findings and recommendations concerning the reduction of certain Non-Recurring Charges shall not be construed to be a waiver of the Association's right to contest a similar finding or recommendation in a future rate proceeding. The Association expressly reserves its right to do so.

2. The Staff Report summary of findings item 4 questions the role of the Association's manager. The Association wishes to clarify that the manager is required by the Association's by-laws to attend the monthly board meeting and is compensated for that attendance. However, the manager position serves as a non-voting ex-officio member, therefore this does not create a conflict of interest. See the attached file titled, Judy WA By-Laws.pdf.

3. The Association concurs with the remainder of findings presented in the Staff Report.

4. The Association waives its right to request an informal conference or hearing in this case.

Sincerely,

A handwritten signature in blue ink, consisting of a series of loops and a long horizontal stroke.
