

RESPONSE TO REQUEST 3 (EXHIBIT B)

## AFFIDAVIT OF KENNETH TAYLOR

I, Kenneth Taylor, having been first duly sworn, depose and state as follows:

- (1) My name is Kenneth Taylor. I am the Senior Project Engineer with Kenvirons, Inc. ("Kenvirons"), 770 Wilkinson Boulevard, Frankfort, Kentucky 40601.
- (2) I have never been an employee, contract employee or customer of Cumberland Falls Highway Water District (CFHWD). My association with CFHWD has been entirely as an employee of the engineering firm Kenvirons. Kenvirons has served as CFHWD's primary engineering consultant since 1996. I have functioned as Kenvirons' primary contact person (project engineer) with CFHWD since 2015 upon the retirement of Mr. Carlos Miller from the firm.
- (3) I have served as the project engineer on the following projects directly for CFHWD:
  - a. Kentucky Infrastructure Authority Funded – Water System Extensions and Improvements Project;
    - Contract 1: Line Replacement and Reinforcement;
    - Contract 2: SCADA System;
    - Contract 3: Line Replacement and Reinforcement;
  - b. USDA – Rural Development Funded – 8-inch Transmission Main and Pump Station Project;
  - c. KY Transportation Cabinet funded:
    - Oak Grove School Turn Lane Water Line Relocation;
    - US 25 West Major Widening Water Line Relocation;
    - HSIP Corridor 25W Water Line Relocation;
  - d. Whitley County Board of Education Funded – Whitley County High School Waterline Extension
- (4) Our responsibilities on these projects included: design, permitting, payment processing, bidding, and overseeing construction inspection.
- (5) I have served as the water line project engineer on the following developer funded projects:
  - a. Lakewood Development Phase 1 (Mike Bartley);
  - b. Lakewood Development Phase 3 and 3B (Mike Bartley);
  - c. Diamond Acres (Jeff Sparks);
  - d. The Meadows (Mike Sparks);
  - e. Shiner Hill Subdivision Phase 2 (John Siler);
  - f. Deer Trace (Paul Falin);
- (6) Our responsibilities on all of these projects included water line design and permitting and overseeing construction resident inspection of Lakewood Development Phase 1.
- (7) I served as the project engineer on the following project where our responsibilities included design and permitting:
  - a. Walden Buffalo Church Road Bridge Replacement Waterline Relocation

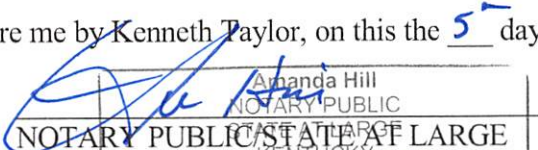

- (8) I also served as Kenvicons' contact person on the following projects on which we provided the hydraulics for the Kentucky Division of Water permitting:
- a. Delbert Gibbs Heirs Waterline Extension (John Ledington Engineering);
  - b. Oakdale Estates and E&E Anchor Estates Waterline Extensions (Ken Wilson Engineering).

Wherefore, the Affiant sayeth naught.
