Re: *In the Matter of: Electronic Alleged Failure of Clark Energy Cooperative, Inc., To Comply With KRS 278.160(2) - Case No. 2023-00005*

Dear Ms. Bridwell:

Enclosed, please find for filing, Clark Energy Cooperative, Inc.'s ("Clark Energy") supplemental responses to Commission Staff's First Request for Information in the above-styled case. Clark Energy filed the information requested in Commission Staff's First Request for Information for the years 2018-2022 on March 31, 2023. Pursuant to the Commission's April 11, 2023 Order, Clark Energy is providing the requested information for the month of January 2023 and for February 1-15, 2023. This will give the Commission the requested information for the five year period immediately preceding the Commission's February 16, 2023 Order initiating this proceeding. Please note that pursuant to the Commission's Order and 807 KAR 5:001E, Section 4(10), Clark Energy has redacted the identifying information of its members (names and addresses). The attachment for Response No. 1 a-e is an Excel spreadsheet. In the public version of the Excel spreadsheet, the columns that contained the customer names and addresses have been deleted. In the notes section of the spreadsheet, the customer names were deleted and replaced with "xxx" in order to keep the customer identifying information from the public record. Since these redactions were made pursuant to the regulation, the confidential version does not contain highlights and a motion for confidential treatment is not being filed.

This is to certify that the foregoing electronic filing was transmitted to the Commission on April 14, 2023; that there are currently no parties that the Commission has excused from participation by electronic means in this proceeding; and pursuant to the Commission's July 22, 2021 Order in Case No. 2020-00085, no paper copies of this filing will be made.

Ms. Linda C. Bridwell, P.E.
