Subject: FAC 2 Year Review Hearing (January 4, 2024) Notices - (KU and LG&E (ELECTRIC) Service Area) - Notice Correction request

Importance: High

Rachel,

I am sending this request directly to you since Caroline Davison is out of the office. There is a correction needed for LGE and KU hearing notice on January 4, 2024. The notice should say "...Eastern Standard Time..." Not "...Daylight Time...". Please correct this as soon as possible and provide the proof so we can re-file this with the Kentucky Public Service Commission.

Again, attached are FAC 2 Year Review Hearing orders and previously provided notices for LG&E and KU for your reference, the notices should be for Electric only service areas for both KU and LG&E. The notices have to be published just one time between the dates of December 14 to December 28, 2023.

Let me know if you have any questions. Thanks,

ORDER

The Commission, on its own motion, HEREBY ORDERS that:

1. A hearing in this matter shall be held on January 4, 2024, at 9 a.m. Eastern Standard Time and continuing until called from the bench by the presiding officer, in
