**MOTION FOR EXTENSION OF TIME**

---

Comes now Licking Valley Rural Electric Cooperative Corporation (“Licking Valley”), by and through counsel, and respectfully requests the Kentucky Public Service Commission (“Commission”) grant an extension of time until October 4, 2023 to respond to the Commission’s request for information contained in Appendix B of its September 6, 2023 Order in the above-styled case. In support of this motion, Licking Valley respectfully states as follows:

1. On September 6, 2023, the Commission issued an Order initiating this proceeding. Appendix A to the September 6<sup>th</sup> Order contained the procedural schedule which set forth the date to respond to the requests for information contained in Appendix B. The date to respond was set as September 22, 2023.

2. Licking Valley’s employee that normally did the two-year FAC reviews is no longer with Licking Valley and this deadline simply got overlooked.

3. On September 27, 2023 Licking Valley realized that it had missed the deadline to respond to the requests for information contained in the September 6<sup>th</sup> Order. Licking Valley

immediately contacted the undersigned counsel to see what Licking Valley needed to do. Counsel advised that Licking Valley would need to file this motion.

4. Licking Valley is diligently working to collect the information needed to respond to the Commission's requests but will need until October 4, 2023 to file the information. If the information is prepared sooner than October 4, 2023, Licking Valley will file as soon as it is prepared.

WHEREFORE, on the basis of the foregoing, Licking Valley respectfully requests that the Commission grant it an extension until October 4, 2023, to respond to requests contained in Appendix B of the Commission's September 6, 2023 Order.

Dated this 27<sup>th</sup> day of September, 2023.

Respectfully submitted,
