Linda Bridwell
Executive Director
PO BOX 615
Frankfort, KY 40601

Dear Ms. Bridwell:

South Hopkins Water District would like to formally request to use the Water Loss Surcharge Fund money to contract a water loss detection company. The District had previously asked to purchase a drone with said money, however, after researching the costs, permits, classes and licenses for drone operation, it is more feasible to hire an outside source to help alleviate our water loss.

We are having difficulty in decreasing our water loss percentage causing financial concerns as our district's infrastructure age. Please answer at your earliest convenience so the District can start as soon as possible on this. Thank you for your time and consideration.

Sincerely,

Kayla Goodaker
Office Manager
South Hopkins Water District
