Re: Case No. 2023-00018
South Hopkins Water District

Mrs. Bridwell,

Regarding the order for SHWD to purchase the flow meter that was requested, it has come to my attention that product is no longer available. I have attached an email from the company saying that it is no longer offered. I am also attaching the price of a similar flow meter to ask if we may purchase it instead. It is a hybrid, which means it is more expensive. Please let me know as soon as possible if I may purchase this with the surcharge money. Thank you for your time.

Sincerely,

Kayla Goodaker
