MOTION FOR NUNC PRO TUNC CORRECTION OF ORDER

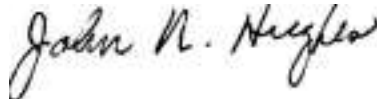

Applicant, Atmos Energy Corporation, by counsel, moves for an order *nunc pro tunc* correcting the order issued on February 23, 2023. That order refers to granting Atmos Energy approval to bid on an ELECTRIC franchise for the city of Madisonville, Ky. The application filed by Atmos Energy refers to the company's current gas franchise and its desire to bid on the city's proposed natural gas franchise.

Proposed bids for the franchise will be opened on February 28, 2023. Because the franchise offered by the city is for natural gas, not electric distribution, Atmos Energy moves for a correction *nunc pro tunc* to the February 23, 2023 order to grant Atmos Energy authority to bid on the natural gas franchise prior to that date.
