Re: *In the Matter of: Electronic Application of Burkesville Gas Company Inc. 's  
Quarterly Report of Gas Cost Recovery Rate Calculation – Case No.  
2023-00056*

Dear Ms. Bridwell:

Enclosed, please find for filing, Burkesville Gas Company, Inc.'s ("Burkesville Gas") Quarterly Gas Cost Adjustment Report ("GCA") in the above-styled case. Burkesville Gas is also filing the Texas Eastern reports, the Petrol invoices and the escrow account statements as required by Commission Order. Since the last quarterly GCA filing, a new escrow account has been created with the entire balance of the former escrow account being transferred. The new escrow account is not subject to the \$7.00 per month fee that the previous escrow account was subject to. In addition, the escrow account is now in the name of Apache Gas Transmission Company and will make year-end accounting treatment easier, since the PRP was established for Apache Gas Transmission Company.

This is to certify that the electronic filing has been transmitted to the Commission on February 24, 2023 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means. Pursuant to the Commission's July 22, 2021 Order in Case No. 2020-00085 no paper copies of this filing will be made.

Please do not hesitate to contact me with any questions or concerns.

Sincerely,

L. Allyson Honaker
