## **Exhibit A**

**CITY OF PARIS  
ORDINANCE NO. 2023-1**

**AN ORDINANCE ADOPTING A FRANCHISE AGREEMENT FOR THE  
PROVISION OF ELECTRIC SERVICE WITHIN THE CITY**

**WHEREAS**, Sections 163 and 164 of the Kentucky Constitution and Chapter 96 of the Kentucky Revised Statutes, authorize municipal corporations to require public utilities, including non-governmental providers of electricity within their boundaries, to operate under franchise agreements and to grant utilities the right to use public right-of-way on reasonable and necessary conditions;

**WHEREAS**, the City Commission of the City of Paris, Kentucky has determined that the construction, operation, maintenance and utilization of an electric franchise over, across, or under public rights-of-way in the City of Paris benefits the utility and the customers it serves and has further found and determined that the construction, installation, removal, maintenance and/or repair of utility-owned facilities and other infrastructures does periodic and unavoidable disturbance that gradually results in the degradation of the City's streets and sidewalks, for which the City is entitled to reasonable compensation in order to offset and recover the costs of reconstructing, removing, repairing or resurfacing damaged public right-of-way; and,

**WHEREAS**, in order to protect the health, safety and welfare of the citizens of the City, to protect and preserve the City's public right-of-way and infrastructure, and to provide for the orderly administration of the franchise contemplated herein, it is necessary and appropriate to require the successful franchisee to conduct its business and operations in compliance with terms and conditions set forth in a franchise agreement.

**NOW THEREFORE**, be it ordained by the City Commission of the City of Paris, Kentucky that notice shall be given that at a date and time specified by the City Manager, the City will receive offers for the sale to the highest and best bidder(s), plus all costs, including advertising cost, a franchise for sale and distribution of electricity as more fully set forth in the attached franchise agreement. The City Manager shall conduct the bid process and any subsequent negotiations that may be necessary in accordance with Kentucky law and city policy. The City Manager is authorized to negotiate the terms of the franchise agreement with terms substantially similar to the attached. The City Manager shall then recommend an award of a non-exclusive franchise agreement to be considered by the City Commission concerning the award of any franchise and for the terms of any agreement.

The foregoing ordinance was introduced and read for the first time as the City Commission's regular meeting of January 10, 2023. Read for the second time, adopted, and approved at its regular meeting of January 24, 2023.
