BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC SOUTHERN MADISON WATER DISTRICT UNACCOUNTED-FOR
WATER LOSS REDUCTION PLAN, SURCHARGE AND MONITORING

)
) CASE NO.
) 23-00070

RESPONSE to COMMISSION'S STAFF
FOURTH REQUEST FOR INFORMATION

1. Refer to Southern Madison District's request to use surcharge funds filed May 30, 2026.

- a. Confirm that Southern Madison District wants to prioritize the creek crossing project before any previous request for surcharge funds. If not confirmed, explain the response.**

Yes, Southern Madison Water District ("SMWD") wants to prioritize the creek crossing(s) project before any previous request for surcharge funds.

- b. State whether Southern Madison District would like to withdraw the previous request for surcharge funds or if it would like to request that they be held in abeyance until after the costs of the creek crossings are known and/or finalized, at which time Southern Madison District may file a motion asking that they be reconsidered.**

Yes, SMWD requests all previous requests be held in abeyance until the creek crossing(s) project is finalized and completely funded.

- c. Confirm that the May 30, 2026, request is seeking \$36,800 for the engineering design from Kenvirons, and that once the plan is completed, Southern Madison District plans to bid the construction then submit an additional request to utilize surcharge funds to complete the project. If not confirmed, explain the response.**

Yes, SMWD is requesting \$36,800.00 to be released from the surcharge account to commission and fund the engineering design from Kenvirons. Once the design is complete, SMWD will then file an additional request to expend funds to perform the project.

2. Refer to the Creek Crossing Estimate filed on May 30, 2026.

a. Provide an explanation for the "Construction Observation" that has an estimated cost of \$28,400.

SMWD will obtain a written description from KenVirons with the design drawings and bid package with more explanation and SMWD will submit along with the next request to expend funds on the creek crossing(s) project.

b. Confirm that the total estimated construction cost of \$332,325 is the estimate provided by Kenvirons, but Southern Madison District has not yet bid the construction project. If not confirmed, explain the response.

Yes, the \$332,325 was the preliminary estimate by KenVirons for the costs of completion of the 4 creek crossings. Once design is finalized, SMWD will obtain bids and select a contractor. Once the bid/contractor are selected SMWD will request construction funds for the creek crossing(s) project.

Respectfully,

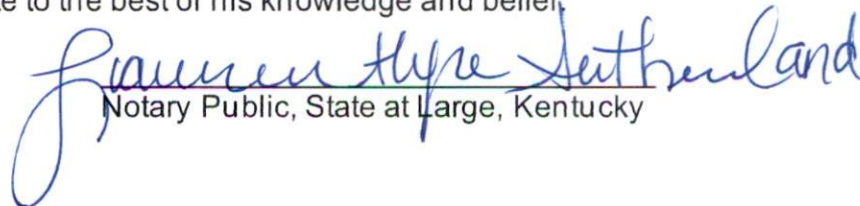

Wayne Robinson
