Re: Case No. 2023-00088
Green River Valley Water District

Dear Ms. Bridwell:

Enclosed is Revised Exhibit 22 to Green River Valley Water District's Application. This exhibit replaces and supersedes the original Exhibit 22. The revised exhibit addresses the deficiency identified in your letter of May 3, 2023. More specifically, Note 5 of the revised exhibit explains the difference in the amounts contained in the capital construction budget for the District's Water Treatment Plant Expansion Project and the amounts of capital construction cost contained in the pro forma adjustment reflecting plant additions set forth in the Application.

Please contact me if Commission Staff requires any additional information regarding Green River Valley Water District's Application.

Sincerely,

Stoll Keenon Ogden PLLC
