RE: Case No. 2023-00090

Alternative Rate Filing Adjustment

Dear Ms. Bridwell:

The Henry County Water District #2 submits the following comments concerning the Commission Staff Report dated September 15th, 2023:

1. Although the District does not agree with the Staff's removal of certain labor expenses from nonrecurring charges, the District does not wish to contest the adjustments in this case. The District requests that the Commission approve the Staff Revised Charges/Adjustments to all Nonrecurring charges as shown on Appendix B of the Commission's Staff Report which is attached to this response.
2. The District concurs with the findings presented in the Staff Report regarding water rates and requests that the Commission approve the rates shown in Appendix B of the Commission's Staff Report which is attached to this response as soon as possible.
3. The District waives its right to request an informal conference or hearing in this case.

If you need any additional information from the District to incorporate these changes or expedite the implementation of the new rates, please contact our office. Thank you for your time and effort on this matter.

With Regards,

Keith Morris
Chief Operating Officer
