**MOTION TO AMEND APPLICATION TO CORRECT CLERICAL ERROR**

Pursuant to 807 KAR 5:001 Section 4(5), the Applicant, Blue Grass Energy Cooperative Corporation (“Blue Grass Energy”), respectfully moves for leave to amend its Application filed herein to correct a clerical error. In support of this Motion, Blue Grass Energy states as follows:

On April 7, 2023, Blue Grass Energy submitted its Application in this case. Counsel for Blue Grass Energy subsequently discovered that the Application contained an inadvertent clerical error regarding the date bids are due for the subject electric franchise.

As was accurately set forth in the Newspaper Advertisement attached in Exhibit A to the Application, the correct date that bids are due is **May 16, 2023**, rather than May 2, 2023 as inadvertently stated in the Application. All other aspects of the Application remain correct.

WHEREFORE, Blue Grass Energy submits that there is good cause to permit this amendment and respectfully requests the Commission to issue an Order permitting the filing of the Amendment attached herewith.

This 20<sup>th</sup> day of April, 2023.

Respectfully submitted,

---
