Re: Electronic Application of Blue Grass Energy Cooperative Corporation for a Certificate of Public Convenience and Necessity Authorizing it to Bid on a Franchise Established by the City of Cynthiana, Kentucky; Case No. 2023-00105

Dear Ms. Bridwell:

Enclosed please find a Motion to Amend Application to Correct Clerical Error submitted on behalf of Blue Grass Energy Cooperative Corporation (“Blue Grass Energy”) in the above-referenced case.

As set forth in the attached pleading, undersigned counsel today realized that the original Application contained an inadvertent clerical error stating that the due date for bids for the subject electric franchise is May 2, 2023, when it is in fact May 16, 2023. The proposed Amendment is simply for purposes of correcting that clerical error.

In accordance with the Commission's Order of December 2, 2021 in Case No. 2020-00085 (Electronic Emergency Docket Related to the Novel Coronavirus COVID-19), this is to certify that the electronic filing has been transmitted to the Commission on April 19, 2023, and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

Very Truly Yours,

RANDELL ROACH & ROYSE, PLLC
