Based on the bids received and the recommendation of the consulting engineer, Rural Development concurs in the award of subject contract to the low bidder, Lagco, Inc., in the amount of \$4,518,775. This is part of a larger project and had a cost overrun that wouldn't leave enough funds for the remainder of the project so a change order will be executed simultaneously bringing the contract amount to \$1,875,521 to get within project funds.

If you have any questions, please contact Julie Anderson, State Engineer, at (859) 224-7348.
