Ms. Bridwell:

Case No. 2023-00114 was granted an increase, but it did not include the increase from Case No. 2023-00024. Case No. 2023-00114 notice of intent was filed on March 29, 2023, with an approved effective date of May 26, 2023. The approval of Case No. 2023-00114 inadvertently did not remove the approval for phase II rates from Case No. 2021-00455 in the customer notice or updated tariff.

Case No. 2023-0024 notice of intent to file a CPCN case was on January 25, 2023, and approved with an effective date of March 10, 2023. During preparation for Case No. 2023-00114 the approved rates from Case No. 2021-00455 that was effective August 12, 2022, with a phase II effective date of August 12, 2023, were used to determine the increase. The rates were obtained from the PSC tariff page.

Please see the adjusted rates.

Sincerely,
