**** REQUEST TO EXPEND SURCHARGE PROCEEDS ****

Case Number 2023-00119

ELECTRONIC UNION COUNTY WATER DISTRICT UNACCOUNTED-FOR WATER LOSS REDUCTION PLAN, SURCHARGE AND MONITORING

Union County Water District is seeking authorization from the Commission to expend a portion of the Surcharge Funds from the Water Loss Reduction Surcharge account.

To date, Union County Water District has not expended any Surcharge Funds. The Water Loss Reduction Surcharge account has a balance of \$50,894.90.

AMOUNT REQUESTED: \$7,298.28

ITEMS REQUESTED: Trimble R580 Sub-foot GPS Receiver and Accessories

As stated in the approved Qualified Infrastructure Improvement Plan, the purchase of the above referenced equipment will allow KRWA to update the Districts GIS data through the WIIN Grant Asset Management Program. The District is going through line relocations due to the widening of Kentucky State Highway 56 West and US Highway 60 West. This equipment will allow the District to accurately map these new lines, as well as mapping existing lines, meters, etc., to maintain its water line infrastructure. Having accurate mapping will allow our team to be more efficient in locating lines to look for and identify leaks.

Union County Water District respectfully asks the Commission to approve the use of Surcharge Funds in the amount of \$7,298.98 for Trimble GPS Receiver and Accessories.

Thank you, *Gary Sheffer*
