**MOTION**

---

Union County Water District (“UCWD”), by counsel, respectfully moves the Public Service Commission to accept the Responses to the Commission Staff’s First Request for Information after the Commission’s established deadline. In support of its motion, UCWD states as follows:

On May 22, 2023, the Commission established this matter and issued a procedural schedule. On June 8, 2023, Commission Staff issued its First Request for Information to UCWD. The deadline by which to file responses was set for July 3, 2023. UCWD provided narrative responses and documentation to the undersigned counsel well in advance of that deadline, as evidenced by the Certification by UCWD’s general manager, which was signed on June 23, 2023. The undersigned counsel, however, inadvertently failed to file the responses prior to the deadline. The undersigned counsel apologizes for this oversight.

UCWD and its counsel are firmly committed to adhering to the Commission’s deadlines. To the extent that this delayed submission results in the need for additional time for Commission

Staff to review and draft additional requests for information, UCWD does not object to an extension of subsequent deadlines.

Respectfully submitted,

---
