**EAST KENTUCKY POWER COOPERATIVE  
CERTIFICATION STATEMENT  
4th Quarter 2022**

I certify the required continuous monitoring system calibration, span, and drift checks or other periodic audits have been performed, as specified.

I certify the data used to show compliance were obtained in accordance with approved methods and procedures of this part and are representative of plant performance.

I certify the minimum data requirements have been met, or the minimum data requirements have been met for errors that were unavoidable.

I certify all efforts to meet compliance with the standards has been achieved during the reporting period.

I certify that the information contained in this report is true, accurate, and complete to the best of my knowledge.
