North Manchester Water Association, Inc. (“NMWA”), by counsel, moves the Public Service Commission of Kentucky (the “Commission”) for an order granting an extension of time by which to file responses to the Commission Staff’s Second Request for Information. NMWA has attempted to electronically transmit documents that are responsive to the request for information to its counsel; however, counsel for NMWA has not yet received those documents. NMWA anticipates that it can cure this issue within two business days and file responses to the Second Request for Information no later than October 31, 2023.
