RE: North Manchester Water Association  
Case No. 2023-00183

Dear Ms. Bridwell:

North Manchester Water Association, by counsel, hereby provides notice that it is electronically filing its redacted Responses to the Commission Staff's First Request for Information. These responses were initially filed on September 15, 2023. Counsel for NMWA became aware that document that was filed contained confidential information as per 807 KAR 5:001, Section 4(10) that was inadvertently not redacted. Counsel has requested Commission Staff to remove the initial filing.

The undersigned counsel certifies that the document filed electronically is a true, accurate and complete representation of the original document and has been transmitted to the Commission. No party to this case has been excused from participation by electronic means.

Please contact me if you have any questions.

Sincerely,  
STURGILL, TURNER, BARKER & MOLONEY, PLLC
