Dear Ms. Bridwell:

North Mercer Water District (District) submits the following comments concerning the Commission Staff Report issued June 13, 2024:

The District appreciates the diligence and efforts of the Commission and Commission Staff in processing this application.

The District does not agree with Staff's removal of certain labor expenses from Non-Recurring Charges however, the District does not wish to contest that adjustment in this case. The District's failure to object to Staff's findings and recommendations concerning the reduction of certain Non-Recurring Charges shall not be construed to be a waiver of the District's right to contest a similar finding or recommendation in a future rate proceeding. The District expressly reserves its right to do so.

The District concurs with the remainder of the findings presented in the Staff Report. The District waives its right to request an informal conference or hearing in this case.

Sincerely,

Mischell Lee
