Re: *Electronic Application of Ohio County Water District for a Certificate of Public Convenience and Necessity Pursuant to KRS 278.020 and 807 KAR 5:001*
Case No. 2023-00192

Dear Ms. Bridwell:

Please find enclosed the Response of Ohio County Water District (“Ohio District”) to the Commission Staff’s First Request for Information.

Ohio District renews its request for the PSC to issue its Order by no later than July 31, 2023. The low bidder (Garney) has extended its bid expiration date to **July 31, 2023**, but indicated that this is the **last extension** (see Attachment 17 to the Response). If an Order is not issued by then, it has indicated that it will seek an increase in some of the material and equipment costs because its supplier cannot “hold” these price quotes any longer.

Should you have any questions, please contact me at your convenience.

Sincerely,

Stoll Keenon Ogden PLLC
