Re: Electronic Purchased Gas Adjustment Filing of Louisville Gas and Electric Company - Case No. 2023-00197

Dear Ms. Bridwell:

Pursuant to the provisions of Louisville Gas and Electric Company's ("LG&E") Gas Supply Clause as authorized by the Commission, LG&E herewith files revised P.S.C. Gas No. 13 tariff sheets in electronic medium. The revised tariff sheets set forth a Gas Supply Cost Component applicable to all gas sold during the period of August 1, 2023 through October 31, 2023. The Gas Cost Actual Adjustment and the Gas Cost Balance Adjustment levels are also revised from the levels that were implemented on May 1, 2023.

Pursuant to the Commission's Final Order in Case No. 2022-00180 dated July 28, 2022, LG&E is including supporting invoices for the period of February 1, 2023 through April 30, 2023 in this filing.

LG&E's filing also includes a petition for confidential treatment regarding the names of natural gas suppliers provided on Exhibit B-1, Pages 6 of 7 and 7 of 7 and the invoices referenced above.

Additionally, to date, all of the recoverable gas has been removed from the Doe Run storage field. The Company is continuing to work on capping, cutting, and purging the pipeline facilities and plugging wells and expects the closure activities to be complete in 2024.

In accordance with 807 KAR 5:001, Section 8 and the Commission's Order on July 22, 2021 in Case No. 2020-00085, I certify that the electronic filing has been transmitted to the Commission on June 30, 2023 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

Please contact me if you have any questions concerning this filing.

Linda C. Bridwell, Executive Director
