Treated Sewage Adjustment Application – 807 KAR 5:075  
Case No. 2023-00217

Dear Executive Director Bridwell,

This is an application to pass through an increase in certain sanitary sewer treatment fees for the Sewer Service Tariff of the Jessamine-South Elkhorn Water District caused by a corresponding increase of treatment fees by the Lexington Fayette Urban County Government (“LFUCG”). These charges will apply to all of the District’s sanitary sewer customers.

Enclosed please find a completed Treated Sewage Adjustment Form and its attachments (LFUCG notice of increase, calculation of increase, a schedule of the new rates, and a Board resolution authorizing increase).

Furthermore, in accordance with the attached August 25, 2022 Order in JSEWD’s rate study (case no. 2022-0053), South-Elkhorn requests that the PSC either 1) approve the phased rates set out in this application, or 2) recalculate the phased rates set out in said August 25<sup>th</sup> Order to account for LFUCG’s rate increase.

The District has previously filed income statements and balance sheets with the Commission; these should be on file in your office.

Sincerely,

/s/ Henry E. Smith
