East Casey County District  
Alternative Rate Filing Adjustment

Dear Ms. Bridwell:

East Casey County Water District (East Casey) respectfully requests an extension of time from the Kentucky Public Service Commission to extend the deadline for East Casey to file its responses to the Commission Staff's First Request for Information. East Casey needs additional time to compile and confirm that the information they provide is accurate and presented properly. East Casey is making every effort to comply with the Commission's request; however, additional time is necessary to appropriately respond. East Casey is respectfully requesting a two-week extension of time to file their responses.

Sincerely,

  
Andy Greynolds
